

IMPORTANT NOTICE- JUVENILE SECTION

Due to Health and Safety concerns, relating to the bringing of Juvenile athletes to and from the Castle training grounds and the difficulties associated with crossing the road, the club has decided that from **Monday 3rd November** all Juvenile athletes are to be dropped off and collected from the Rathfarnham Castle car park. No children are to be dropped off or collected from the clubhouse from the **Monday 3rd November**. Parents/Guardians must ensure that their child/children are in the car park by 6.30pm. If children arrive before 6.30pm a parent/guardian must stay with their child/children until 6.30pm. After training, parents/guardians must be in the car park at 7.30pm to collect their child/children.

If, on either Monday or Wednesday, you need to take your child/children out of training early it has been decided, so as to avoid disruption and difficulties for coaches, you should not bring your child/children to training that night. In the event of an emergency where you have to take your child/children out early, you must approach one of the coaches to inform them. Under no circumstances are any children to leave the training grounds early without a parent/guardian first speaking to a coach.

If any parents/guardians want their child/children to walk or cycle to and from the car park, a letter must be given to the club giving their permission for this to happen not later than **29th October**. Without prior written agreement no child will be allowed to walk or cycle to/from training.

In the interest of the children's safety and welfare it is very important that all parents/guardians adhere to these new changes. No exceptions will be allowed so please do not ask.

If you need any clarifications on the above you can speak to any of the coaches before training on either Monday or Wednesday.
